FMCSA

<http://www.fmcsa.dot.gov/safety-security/grants/MCSAP-Basic-Incentive/overview.aspx>

The Federal Motor Carrier Safety Administration (FMCSA) provides financial assistance to States to reduce the number and severity of crashes and hazardous materials incidents involving commercial motor vehicles (CMV). The goal of FMCSA is to reduce CMV-involved crashes, fatalities, and injuries through consistent, uniform, and effective CMV safety programs. Investing grant monies in appropriate safety programs increases the likelihood that safety defects, driver deficiencies, and unsafe motor carrier practices are detected and corrected before they become contributing factors to crashes.

FMCSA sets forth the conditions for participation by States and local jurisdictions and promotes the adoption and uniform enforcement of safety rules, regulations, and standards compatible with the Federal Motor Carrier Safety Regulations (FMCSRs) and Federal Hazardous Material Regulations (HMRs) for both interstate and intrastate motor carriers and drivers.

State Farm Safety Grants

<http://www.statefarm.com/aboutus/community/grants/company/company.asp>

State Farm provides grants to state agencies. The Category of grants appropriate for DHSMV include:

- * Safe Neighbors (safety)
- * Auto and Roadway - improve driver, vehicle and roadway safety
- * Natural Disaster Preparedness
- * Natural Disaster Recovery

Proposals are accepted year-round and are reviewed in a timely manner. However, approval time depends on the requesting amount and completeness of the proposal. One proposal per organization per year will be considered if it meets the guidelines outlined. (This should include all of an organization's needs for a 12-month period.) State Farm's grant cycle is from January 2 through October 31.

State Farm uses the following criteria when reviewing requests for charitable contributions:

- * Does the program meet a community need that falls within our focus areas (Safe Neighbors/safety, Strong neighborhoods/community development, or Education Excellence/education)?
- * Does the program yield measurable results for participants?
- * Does the program offer volunteer opportunities for State Farm associates?

US Dept of Energy - Energy Efficiency/Renewable Energy

http://www1.eere.energy.gov/financing/funding_award_process.html

Grants are the Office of Energy Efficiency and Renewable Energy's (EERE's) primary funding vehicle for businesses, industries, universities and others.

Most EERE grants are awarded on a competitive basis. As such, EERE solicits applications in specific EERE program areas and selects from the submissions based on merit. EERE financial assistance opportunities are listed in the financial opportunities database and on Grants.gov, the government's Web site of all federal grant opportunities.

In certain cases, financial assistance may be awarded through other processes. To learn more, see the noncompetitive grants and unsolicited proposals sections.
